the Exact Game Plan Our Clients Use To  
Bring Back Their Marriage From The Verge  
Of Divorce ... Absolutely for Free?**

Dear Husband,

Let's talk about RESULTS for a second: Every day, our Art of Becoming A Bulletproof Husband clients are in our Facebook Groups, raving about their wins.

Their first "I love you" message from their wife... in years

Their first date night together since she moved out...

An email from their wife saying "I am ready to move back home with you"...

Having daily new milestones in their marriage...

In fact, if what's being posted on Facebook is any clue...

**In the past 12 months, The Bulletproof  
Husband has helped more men rebuild their  
marriage than any other therapy or counseling  
service company out there.**

The only question you need to ask yourself is, "**Do I want to get my marriage back NOW?**"

If the answer is YES, then I'd love to share with you how we're getting these kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

## **Right Now, You're Probably Stuck on One of These 3 Things ...**

**You are separated and have no idea how to bring your wife back.** You have woken up because your wife gave you the “**I want to divorce**” or “**This is not working, I need time for myself to figure things out alone**” **card** and now she moved out (or made you move out!)... **you are lonely and panicking** while relentlessly researching for options ...

OR...

**You are about to be separated and started to make minimal effort** trying to keep it all together. You are reading books, speaking to your church or some help group, learning new things online , going to therapy (together or separately)...

OR...

**You are faced with the fact that she is about to file for divorce** so you haven't decided if you will give up or pursue to save your marriage, but it is becoming real that the children, finances and your confidence are taking a huge hit...

Which of those sounds more like you?

The good news is that whichever it is, my team and I can show you a plan that will help you rebuild your marriage...

...and we'll do it for FREE.

Consider this:

These are the kinds of results we get for our clients every single day. If we can do it for them, why can't we do it for you?

## **Here Is How to Get Our Help for FREE ...**

We've set aside some time to speak to you over the next few days.

We'll get on the phone for about 45 minutes.

On that call, we'll lay out a plan to help you do ANY of the 3 things we mentioned above.

This plan is going to **enable you to become clear what you need to do so that you can get on the right path to save your marriage...and blow right past your fears and obstacles... ...while stressing LESS than you are right now.**

It's a bold promise...

But after helping THOUSANDS of men in rebuilding their marriage, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

After all, we're one of the most successful marriage experts on the planet for a reason.

**Our stuff works. And we know that if we work together, and you stay coachable, decisive, and resourceful, there is NO limit to what you can achieve in your marriage.**

This invitation is going out to over 10,000 people right now, so as you can imagine, it's going to create a HUGE response.

That's why I need you to read this next part carefully:

# **This Is Not For Everybody. Here Is Who I Can Help:**

I'm VERY picky about who I'll speak with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

**1. You need to be 100% committed to your marriage, so that you are relentless in doing the work with our guidance to get things back on track.**

This offer is for men who are genuinely made a decision that I will do whatever it takes to keep my family together. If you have made that decision, and you want to fill the gap that's missing for you...let's talk.

But, if you're half in, half out, couldn't care less to take ownership of your life, this is not for you.

**2. You MUST be an action taker who follows directions. That means you're coachable, decisive, and resourceful. (Don't worry - we won't ask you to do anything weird.)**

If you like to "kick tires" or sign up for things and not follow through, this is NOT for you. Maintaining a 100% client success rate is VERY important to me. Please be someone who doesn't mess around, and is serious about results.

That's it - if you meet BOTH of those requirements, we're good.

## **Here's What I Want You To Do Next:**

If you meet the criteria above, and you'd like to talk about getting your marriage out of the trenches and on the path to a thriving partnership, then I'll happily set aside some time for you.

Here's what to do next:

Head over to <http://www.bulletproofhusband.com/apply> and you'll see our calendar. Grab whatever appointment time works for you.

Then you'll be taken to our quick application form. It's very fast and unobtrusive. I just need to know what your high-level marriage situation is. Then...

That's it!

The initial call will go 45-60 minutes, and it will be the BEST time you have ever spent working on your marriage.

## **WARNING - TIME IS A FACTOR!**

This invitation is going out to 10,000+ people today, and there is only so much time available in the schedule.

It's physically impossible for me to work with more than a handful of people, so it is FIRST COME, FIRST SERVED.
